Friends International

- Please pray for Josh Bell who will be visiting his parents in Zimbabwe for two weeks. Part of Josh's visit will be to encourage the church where his father is the minister. Pray also for his wife and child who will remain in the UK.
- Praise God that the conference at Swanwick proved very worthwhile for everyone who attended.

Create & Share Workshops

Over the next two workshops I'm offering four simple projects.

1. A lampshade for a wine glass and LED candle.
2. A fabric bag, suitable for an Easter egg or toiletries.
3. A handy pin cushion and thread catcher.
4. A patchwork hanging sachet (minimum sewing required)

For details of quantities of fabric and haberdashery, please contact Janet Jefferson (see below).

The aim of Create & Share is to encourage everyone no matter what level one feels they are creatively.

We all have a creative instinct inside us, but some feel more confident than others to 'create'!

We celebrate each other's achievements and encourage one another in all that we do as well as spending time chatting and enjoying each other's company.

There are two sessions: (9.30/12 noon & 1.00/3.30pm)
and you can decide which one to come to or even stay for the whole day.

Please feel free to bring friends, but let Janet know whether you wish to come for the morning, afternoon or the full day so that she has an idea of numbers for refreshments and resources.

For further information, contact Janet Jefferson (Tel: 01223 513471 or email janet@frenchfrogs.net)

Taizé Service: February 26th @ 6.30 p.m.

St Mary's Church, Great Shelford

Taizé is a small village in eastern France. For over 50 years, it has been the home of a Christian monastic community made up of brothers from many different countries, speaking many different languages and, uniquely, belonging to several different Christian denominations. The community has developed a unique style of meditative singing which focuses on the repetitive chanting of short phrases from the Bible and other Christian texts in a range of languages.

We will be following a pattern based on the worship of the Taizé Community, one of whose aims has always been to make Christian worship as simple and uncluttered as possible.
