Witard Road Baptist Church

The church recently had a visioning process and have gained a clear idea of where God is leading them and that is to be a church welcoming all, about serving our community and one another in the power of the Spirit and seeing lives transformed by God. The church runs a full range of community activities and places an emphasis on reaching children and families with Messy Church, Little Steps (toddler group) and Open the Book in several local schools. It recently started a Kidz Church on a Sunday morning to help children and families make the transition to church on a Sunday.

The Church asks prayer for the following:

- * Give thanks for the clear vision that the church has discerned and pray that it may fulfil that vision.
- * Pray that the Lord will bring to the church the right Assistant/Associate Pastor to help develop the Church's ministry to families and to the wider community.
- * Pray that the recently started Kidz Church will help children and their families make the transition to church on Sundays.
- * Pray that the church might serve the community with compassion and in the power of the Spirit.

Molly Livermore

A sincere thank you to everyone in the congregation who made such a huge contribution in memory of Molly. I have just heard that 357 pounds have been sent to the Royal Lifeboat Institution, so thank you for your generosity and also for all of the music, readings and cakes!
Wishing you all blessings and good wishes for the future.
