Counting the cost *Kidnapped in the Niger Delta* **David and Shirley Donovan**

- First hand account
- British missionaries kidnapped in Nigeria
- Story of God's grace in the midst of terrifying circumstances

British missionaries David and Shirley Donovan were running a health centre in Nigeria when a pounding on their bedroom door tipped their lives upside down. Threatened at gunpoint, held hostage and ransomed for a billion naira, they tell of the grace that allowed them to witness to their kidnapers in the midst of the chilling and disturbing realisation of what man is capable of.

David and Shirley came and shared with us in April of this year, they have since written 'Counting the Cost' a challenging book in all aspects of the Christian walk. For those who missed the talk or are interested in reading the book it is available from, www.christianfocus.com, Amazon and other book stores.
