- Pray for Coffee Pot and the ministry it has to those who attend and enjoy the friendship and company
- Pray for the preparation and deliverance of the Good News of Easter as we approach that time

Let us fix our eyes on Jesus, the author and perfecter of our faith, who for the joy set before him endured the cross, scorning its shame, and sat down at the right hand of the throne of God. Consider him who endured such opposition from sinful men, so that you will not grow weary and lose heart. **Hebrews 12 v 1—3**

## Repair Café and Swish 1—6pm 29th Feb @ GSFC

Following the success of the 2019 Eco-Fest, There will be a repair cafe and Swish on Saturday 29th February 2-5pm at the church.

A Swish is basically a 'clothes swap'. That is, a group of people come together and bring the clothes they no longer wish to keep (cleaned, of course). The clothes are organised into categories (dresses, trousers, etc.) and once this is done attendees can select 'new' clothes to take home with them. It's a great way to get a whole new wardrobe that's easy on your wallet and great for the planet :)

For more information contact Liz Jenkin or Chris Smith

**SWISH SIGN UP:-** Please sign up on sheet in the lounge if you can help with any of the activities listed, ie, meet and greet, manning a stall, Sorting, setting up, stewarding. If not able to help on the morning you may be able to help by collecting items.

Thank you Chris S

## February Eco tip

Have an Eco Lent. How can we become better at caring for creation and improving our lives and the lives of others through healthy, eco-friendly and sustainable living? Lent begins on 26 February so think prayerfully about this question and challenge. For example, if you've been meaning for a while now to switch to green energy, go plastic free, change your method of transport then make Lent 2020 the time to start or give something up that benefits nature and helps address climate change.
