

LITTLE GARDEN OF HOPE

- INSTRUCTIONS -

Find a container, shallow tray, bowl, or takeaway tub. Fill your container with soil from the garden or compost.

Plant a flowering Spring bulb like a daffodil or primrose or a small plant into the soil, making sure you cover the roots.

Push thin rocks into the soil to make a cave. Make a roof for the cave using another rock or a different creative object! Add small stones or gravel to create paths. Decorate your garden and remember to include your cross!

Send a photo of your garden to administrator@shelfordfreechurch.org.uk no later than **5pm 31st March** stating the name and age of the entrant and we will share it online!

Keep your garden of hope watered and watch it grow!

Entrants gift and prizes can be collected from the High Street entrance of the church on 3rd April between 10am and 12pm
