## **God's Love In Action**

### **We Need your Help**

**In recent years donors have dropped as prices have increased, we are struggling, and we need your help.**

Costs for everything have increased dramatically in recent years but wages haven't gone up in line and the centre costs are now beyond what we receive each month.

Due to this we may soon be faced with the awful situation of having to reduce our support to some of our families in need.

We appreciate times are difficult in the UK but if there is any way you could consider increasing your regular giving or make a donation, our beneficiaries in Dorohoi would be massively grateful as would we, the staff and trustees.

Please see over for ways in which to make a donation  
If you are able to help us to be able to contribute to  
help please use the information below.
